

To launch the new Midnight Messiah channel on Youtube, the boys thought it was a good idea to capture some rehearsal footage to give you a "behind the scenes" peek at how things were coming along as they worked on the songs for their debut album.

We have uploaded five videos featuring a different song, and you can view them by clicking the link on the [videos](#) page.

When viewing the videos, please subscribe to the Midnight Messiah video channel to keep up to date with the band's video activities.
